

American Lincoln Part

American Lincoln Parts - Presently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the industry they are recognized in the industry as providing strong and durable machinery that satisfies the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber together with the Clarke Company which is currently also owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can supply warranty service, machinery and components for these kinds of scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility supervisors where efficiency and results count. Recently, this particular floor scrubber model has been utilized by the architects in various construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site due to the model's excellent quality and utmost performance level for polishing concrete.
