Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with effectively marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to offering new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy providing products that energize both their partners and their dealers and offer production gains to their clients.

The TREK team of employees enjoys new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements together with their comprehension of cleaning applications, along with owners' strong desire to considerably reduce cost through productivity gains.

When needed, the personnel within TREK and its several dealer members in both parts and in technical support will be obtainable. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning machines ready and running day after day is top priority. The company's top of the line technology delivers dependable equipment that ultimately lowers your cleaning expense. The service, the product and the price all work together to make them the leader in the business.
