Advance-Nilfisk Parts - Imagine how long and tiresome it would be to clean-up after a party, without assistance from equipment. Not too long ago, the dust from carpets and upholstery had to be beat out of them by hand; brushes, cleaning cloths and brooms were the top cleaning products back then.

P.A. Fisker, the founder of Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Starting the company in the year 1906, he began to make motors to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's vision from the start was to own a worldwide company advertising merchandise globally.

The Nilfisk C1 was a remarkable breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by one individual. This creation came in a time where many cleaning equipment were massive and needed at least 4 operators, thus, the Nilfisk C1 transformed everything and evolved the way we clean forever. The genius behind these first cleaning machines remains unparalleled. Cleaning machines offer a brilliant solution to an ongoing dilemma; stuff get filthy and should be cleaned frequently, without too much effort.

Little by little, the business Nilfisk-Advance grew throughout the years. During the early 1980's the company grew more rapidly when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the industry, aspiring to be an active global player in producing professional cleaning machines. Nilfisk-Advance is now found in all parts of the globe due to gradually acquiring a lot of smaller businesses in order to develop their product selection and presence in new markets. They are really proud to provide a variety of cleaning solutions to fit every need.
